

Memorandum

Date: April 25, 2006

To: Honorable Chairman Joe A. Martinez
and Members, Board of County Commissioners

Agenda Item No. 8(K)(1)(C)

From: George M. Burgess
County Manager

Subject: Resolution approving the reprogramming of HOME funding to Universal Truth CDC, Miami-Dade OCED Community Builders Division, and the HOME Reserve and Surtax funding to Latin Q. Tower, LLC

As amended by the Community Empowerment and Economic Revitalization Committee (CEERC) on March 14, 2006, this item programs \$3,000,000 of HOME funds previously recommended to the Partnership for Recovery effort for Hurricane Wilma victims into the Office of Community and Economic Development (OCED) HOME Reserve for future eligible housing projects.

RECOMMENDATION

It is recommended that the Board of County Commissioners authorize the County Manager to reprogram FY 1993, 1994, 1995, 1996, 1997, 2003 and 2005 HOME funding in the amount of \$3.55 million and reallocate \$225,000 to Universal Truth CDC, \$40,000 to Richmond Heights CDC, \$100,000 to Miami-Dade County OCED Community Builders Division, and \$3,185,000 to the Miami-Dade County OCED HOME Reserve. It is also recommended that \$1 million of Surtax funds be reprogrammed to Latin Q. Tower, LLC.

BACKGROUND

Over the last several years, the Office of Community and Economic Development (OCED) has spent significant time and effort to address the timeliness of expenditures linked to the Community Development Block Grant Program (CDBG). The Department's efforts have been successful.

OCED is now shifting its attention to the HOME, HOME CHDO, and HODAG programs whose expenditure profile must be carefully managed to assure that Miami-Dade County remains in compliance status. Staff has identified \$3.55 million in currently approved HOME projects that we are recommending to be reprogrammed to new activities that will commence within a 12 to 24 month period.

This item entails the investment of Federal housing dollars into various projects. These projects represent activities linked to affordable homeownership, rehabilitation and the provision of resources to support community based project management activities.

A total of \$3.55 million of the following HOME funds are being recommended for funding out of the reprogramming pool available for the following project investments:

Miami-Dade County OCED Community Builders Division, Emergency Relocation - \$100,000 is being recommended to address a funding need associated with the relocation of

eligible families living in the units to be acquired by Universal Truth CDC through the use of HOME funds.

Miami-Dade County OCED HOME Reserve - \$3,185,000 of HOME funds are being reprogrammed to a HOME Reserve for future US HUD HOME eligible projects.

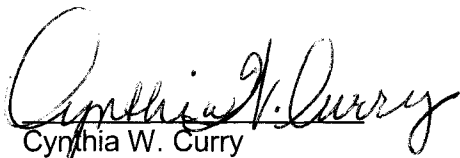

Richmond Heights CDC, New Construction of Single Family Homes - \$40,000 is being recommended to address a funding shortfall that resulted in increased construction costs in order to comply with ADA requirements for homebuyer with special needs and to clean up a county deeded lot with environmental contamination.

Universal Truth CDC, New Construction of Single Family Units - \$225,000 is being reprogrammed for the rehabilitation of 12 single family town homes in the Vista Verde subdivision in Miami Gardens. This allocation will address a funding shortfall for acquisition and rehabilitation of 13 town homes for conversion to homeownership units.

Additionally, staff recommends the following allocation out of the FY 2006 Surtax Reserve:

Latin Q Tower, LLC, Latin Q. Tower - Miami-Dade County Housing Agency recommends that \$1 million of Surtax funds be reprogrammed to this project to replace HOME funds.

Through Board action, this amendment will reprogram HOME and Surtax funds to the activities in Exhibit 1 to accomplish community revitalization through affordable housing rehabilitation and construction.
